

# Info-Fiesta

Let the Light spread as we ignite, make technology your speech

## Description:

**"Info-Fiesta"** is a platform where there is a perfect blend of intellect and courage. It takes courage to hit someone in his face, but it takes more courage to stand in front of a podium and face a group of intelligent people and challenge them intellectually.

**"ALL SET TO UNLEASH THE INNOVATOR IN YOU!!"** **Come on genius;** soak your brain to flood the podium!

## Event format:

Participants must register themselves for this event in the Optima website. This event is made up of two rounds.

## Round 1:

- The participants are expected to submit papers reporting original unpublished research and recent developments in the topics related to the event.
- **All papers should strictly comply with the standard IEEE format** (IEEE standard format, double column, 10-point font). Submission should include title, abstract, keywords, author and affiliation with email address.

- Submit the soft copy of camera ready paper in pdf and word format to the given mail id: [pptoptima.nitt@gmail.com](mailto:pptoptima.nitt@gmail.com)

## Round 2:

- The final selection list will be displayed a week before the inception of the event.
- All participants are requested to check the site on a regular basis to stay updated about the developments.
- The finalists appearing for the final round have to be more time conscious and present their concepts as crisp as possible within a duration of 5-7 minutes which will in turn be followed with a question session.

## Deadlines:

**Paper Submission:** 25/09/2017 to 04/10/2017

**Extended Submission:** On or before 05/10/2017

**Shortlist Announcement:** 08/10/2017

**Event date:** 13<sup>th</sup> October 2017

## Topics:

- 1) Speed link
- 2) Nano ganesh
- 3) BCMS- business continuity Management system

4) A photonic smart card

5) First ever file format for security (pawaafile)
